Re: State vs. Charles Horta, et al.
Charged 2/24/90 at 22 Ball Street, Irvington, NJ

Dear Vince,

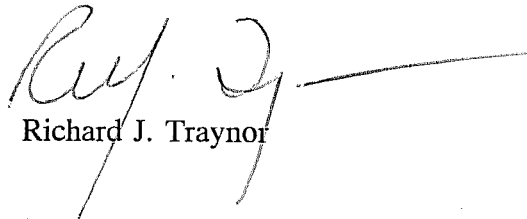

Thank you for your generous efforts in representing Frank Holleman in the above matter. As you are aware, the complaint against him was dismissed at the close of the State's case.

We are so grateful for your generous contribution of time, effort and talent on behalf of the courageous citizens who speak up for the innocent pre-born humans who are the victims of abortion.

The Courts are hammering pro-lifers in many cases in New Jersey. The involvement of pro-life attorneys is critical. "The harvest is plentiful, laborers are few." You, by your pro-bono work, have stepped out in faith to play a part in this great moral struggle. We appreciate it and look forward to working with you on future Legal Center matters.

God bless you and thank you so very much.

Sincerely,

Richard J. Traynor
